Continuation Sheet.

War File No. 10-L/43 of 1943-4 Page.
Current No.

Representation of the ryots of Mallikere and Kumaraswamy villages for enhanced compensation

From The R.C in Mysore

C.L.O. 421/42-43 dt 14th Sept. 43 Recommending in the circumstances stated that the rate of compensation in respect of dry lands may be uniformly raised from Rs 20 to Rs 30/- per acre and that the rate may be made applicable retrospectively from 1942-43 and requesting sanction of Govt to the above proposals as to address the military authorities to accept the rates.

Z

A

1) Said reference is invited to the Civil Officers report re. the lands occupied by the military for various purposes near Jalahalli & the rates fixed to the Residency. The R.C proposed to raise the rate to Rs 30/- and give retrospective effect from 1942-43 & for orders. Recently in some cases a rate of Rs 40 per acre has been fixed in respect of lands near Bangalore. The R.C wants the military authorities also to be addressed to accept the rates proposed by him and after sanction by Govt. asked for orders whether the proposals may be approved.

(RS) 17/7

2) The rates should have also the sanction of the Govt of India

In 17/7

Secretary

3) How far are the two villages in question from Bangalore & from other areas where a compensation of Rs 40 per acre has been fixed & accepted by the

18 JUL 1943

Military authorities?

WG
20/7/43 f

4) In the case of land taken for R.D.T. School at Adaveedu & Karamangala Villages on the Hosur Road, a compensation of Rs 60 was granted by Govt. whereas the same recommended was Rs 35/- for Mathikere & Somasandra Villages are on the other side of the Same Road which is close to Bangalore

Mining Engr)

5) The R.C.'s proposals may be approved with the modification that the rate of compensation be fixed at Rs 40/- per acre

Min Ed^n)

WG
27/7/43 f

6) An increase of 100% in the rate of compensation is, I think be construed as excessive. Rs 40 per acre was given in the case of Adaveedu & Karamangala, as they were villages about 6 miles from station limits. We may suggest a compensation of Rs 30 per acre for Yeshwanthpur with a hint that if the price of foodstuff showed continue a the present rate a increase, the compensation to be awarded for Yeshwanthpur may have to be suitably enhanced.

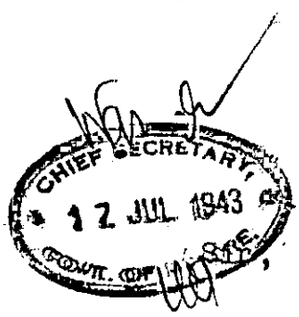
To

V. VEDAVYASACHARYA, ESQ., B.A.,
Chief Secretary to Government of Mysore,
Bangalore.



Subject: Representation of the ryots of Mattikere and Purnapura villages for enhanced compensation.

I have the honour to forward herewith copies of the marginally* noted letters received from the Civil Officer, Bangalore on the above subject.

The villagers of Kayamgutta Mattigere and Purnapura villages represented to me that the compensation for loss of crop at Rs 20/- per acre (the rate accepted by Government vide correspondence ending with General Secretary's letter No. Pol. E1-I 28 dated 3-7-41 addressed to the Secretary to the Hon'ble the Resident in Mysore, Bangalore), that is being paid to the several ryots who have lost their lands on account of Military occupation is very low, and that in view of the present high rates of food stuffs the rate of compensation may be enhanced.

The Civil Officer to whom the matter was referred for a report, states after enquiry and studying the local conditions, that owing to the rise in the price of Ragi and other food grains, the ryots who have lost their lands, are really hard hit, and that their prayer for the enhancement of the rate of compensation (for dry lands), deserves every consideration. The Civil Officer accordingly recommends that the rate of crop compensation may be enhanced from Rs 20/- per acre to Rs 25/- or Rs 30/- per acre.

Considering the abnormal rise in the price of food stuffs at

at present, I think, ~~that~~ there is considerable force in the representation of the villagers. I therefore, agree with the Civil Officer and recommend that the rate of compensation payable to the ryots for loss of crop in respect of dry lands, may be uniformly raised from Rs 20/- to Rs 30/- per acre, and that this enhanced rate be made applicable retrospectively from 1942-43, until the food situation becomes normal. I request you to kindly obtain the necessary sanction of Government to the above proposals and to address the Military authorities to accept these rates.

I have the honor to be,
Sir,
Your most obedient servant,

M. N. Anandalwar.
Assistant Commissioner
for Revenue Commissioner and
Civil Representative.
Absent from Station.

Letter No. MB1.1928 of 29th April 1943 and 5th June 1943 from the S.D.O. and Civil Officer, Bangalore, to the Civil Representative, Bangalore.

Subject Petition of the ryots of Mattikere and Purnapura for enhanced eompensation.

With reference to your D.O. letter No. CLO. 421/42-43 dated 20th April 1943 on the above subject, I beg to state that several of the ryots have lost their lands and Rs 20/- per acre is a poor compensation to them.. Owing to the abnormal price of ragi and other grains they are hard hit and unable to make both ends meet. In these circumstances the rate of compensation may perhaps be raised to Rs.25/- or 30 per acre.

With reference to your D.O. No. C.L.O: 421/42-43 dated 24-5-43 calling for certain information on the petition of the ryots of Mattikere and Purnapura regarding the enhancement of compensation on the lands occupied by the Military, I write to state as follows:-

In regard to the first point, from a reference to the previous records, it is seen that the lands in these areas were taken up for (1) S.T.C. camps (2) Institute Camp and (3) P.O.W. camps in the year 1941-42. The Government have accorded their sanction for the occupation of these lands for the military. The correspondence has not passed through the Civil Liaison officer as that office was not established then.

The Deputy Commissioner has directly addressed the Government and orders have been obtained. The papers relating to the correspondence in the final stages are enclosed for kind perusal and return.

In regard to the second point, it is seen that Rs 20/- per acre was recommended from this office for all dry lands and this was accepted by Government.

In regard to the third compensation at Rs 20/- has been paid for these lands for the years 1941-42 and 42-43.

In regard to the fourth point, I like to state that the enhanced compensation may be recommended for 42-43 and onwards.

The petition in original is returned herewith as desired.
